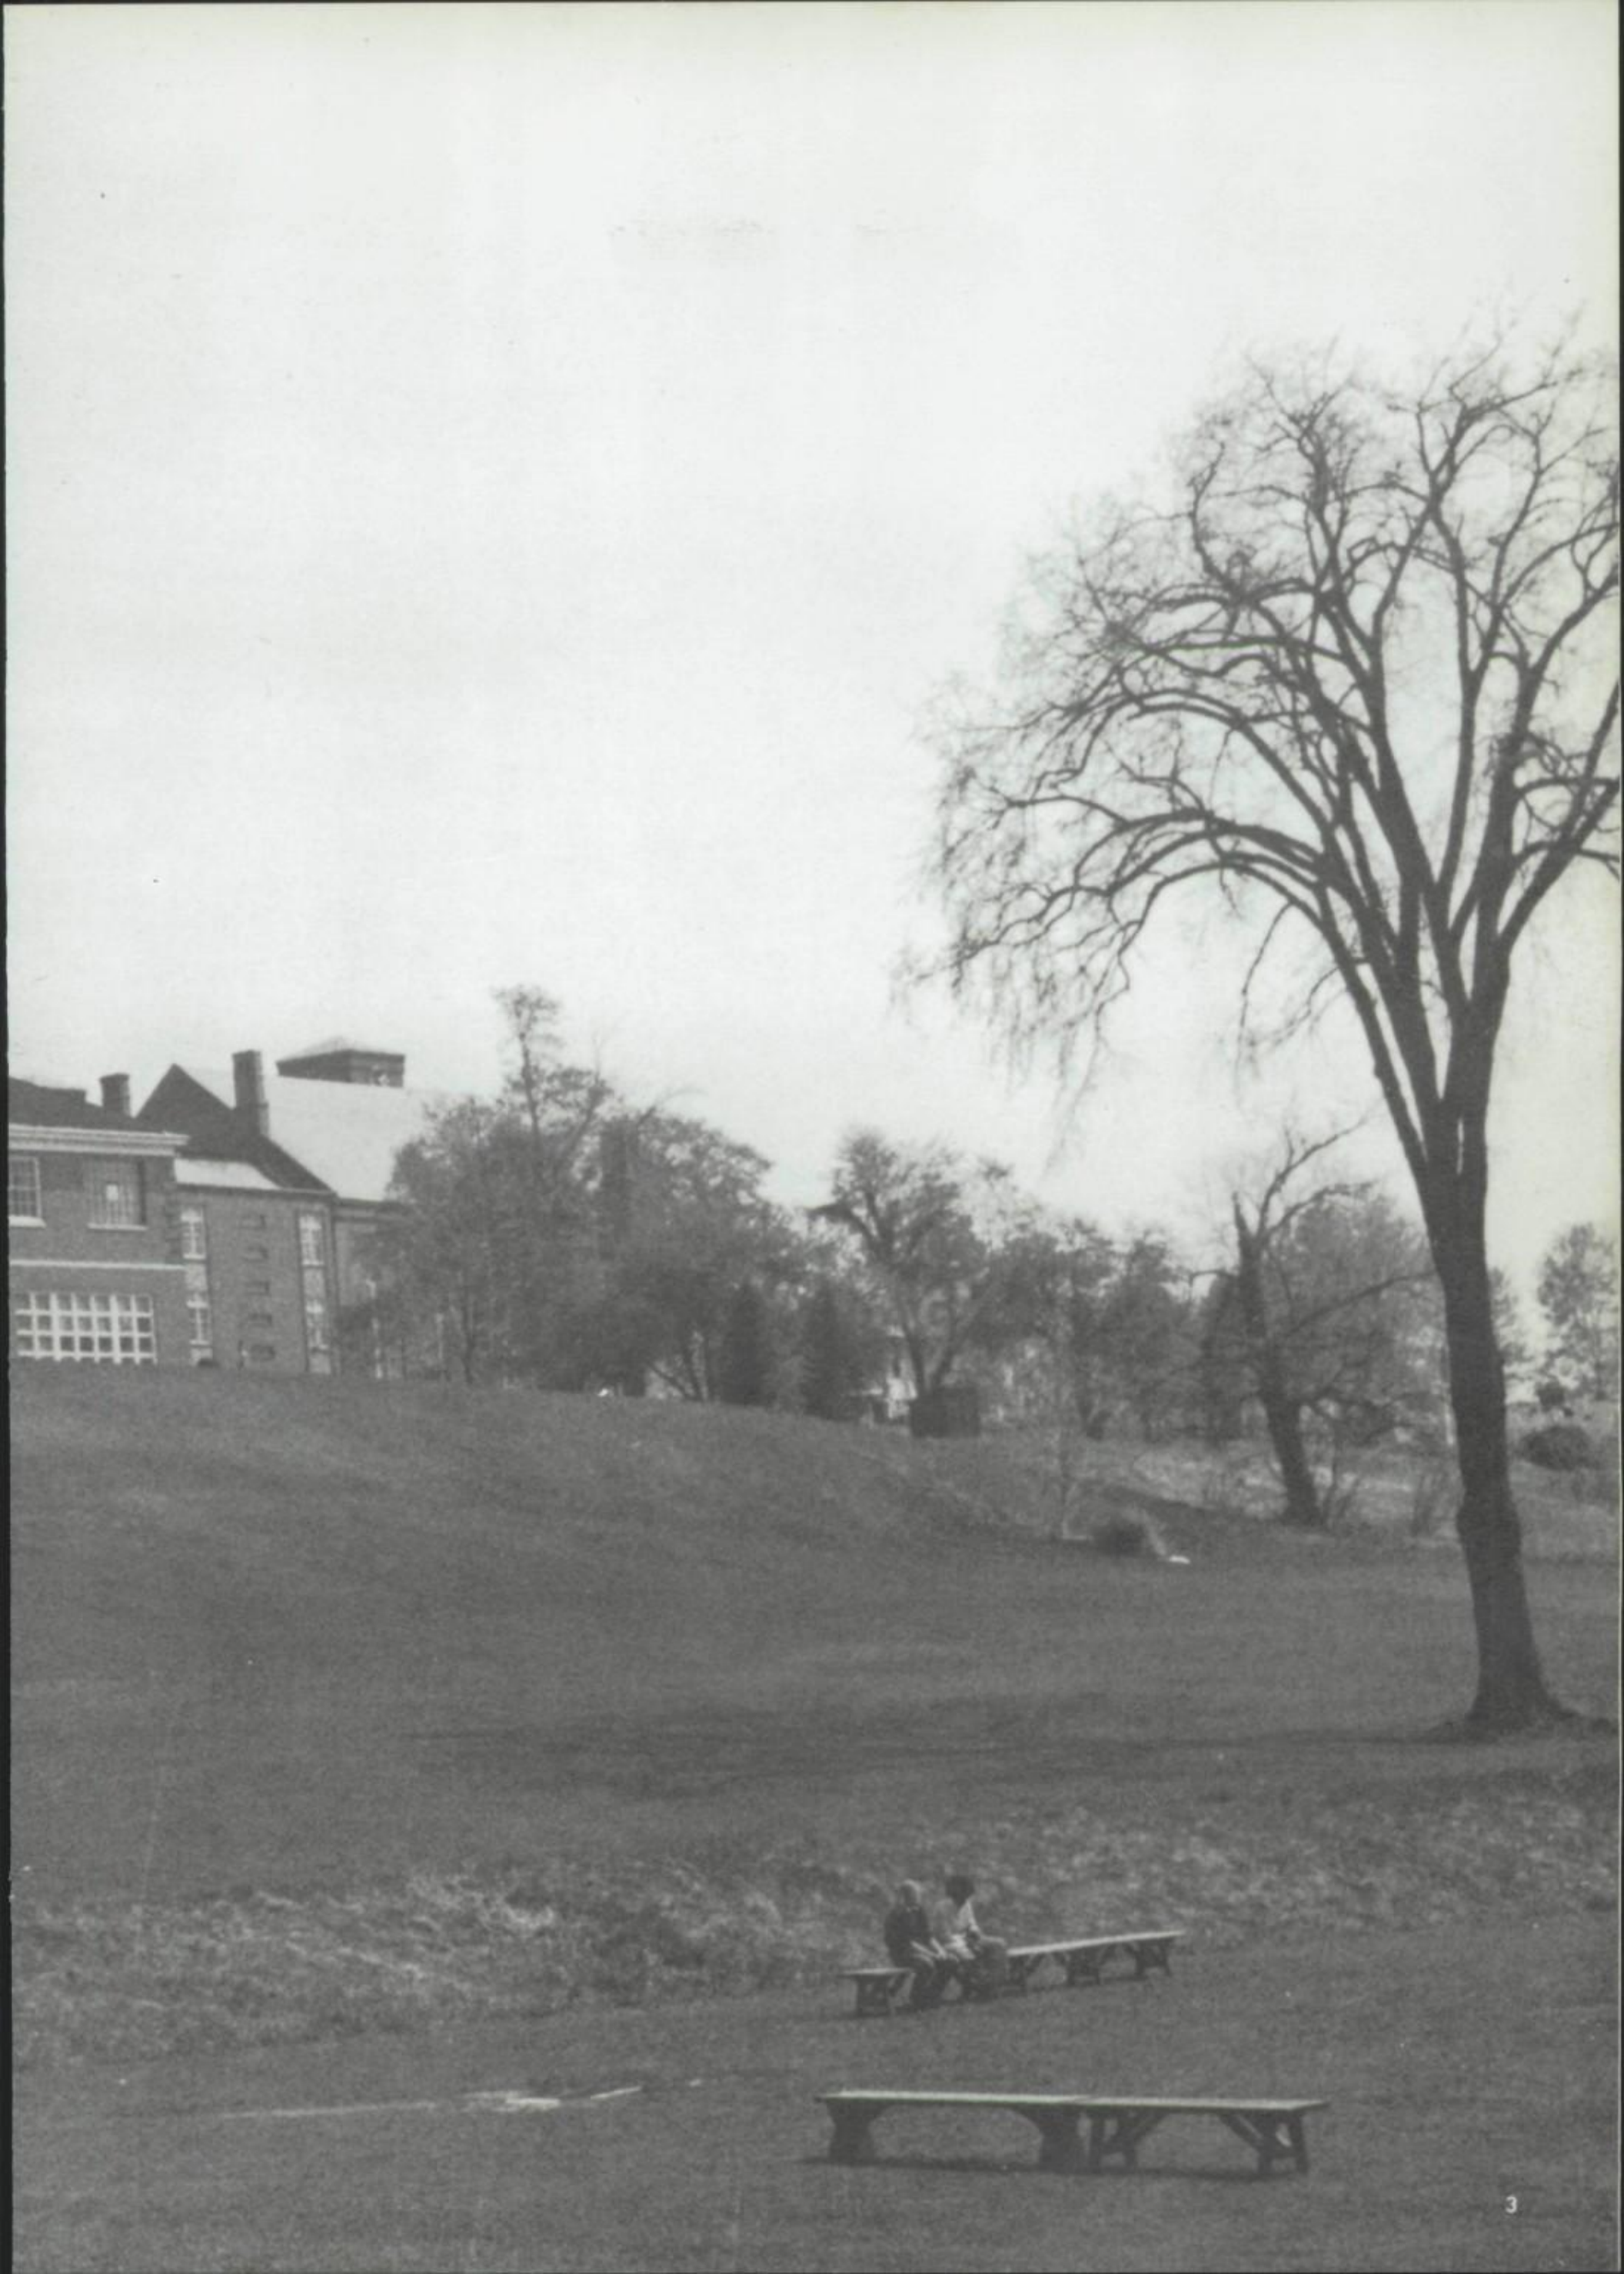
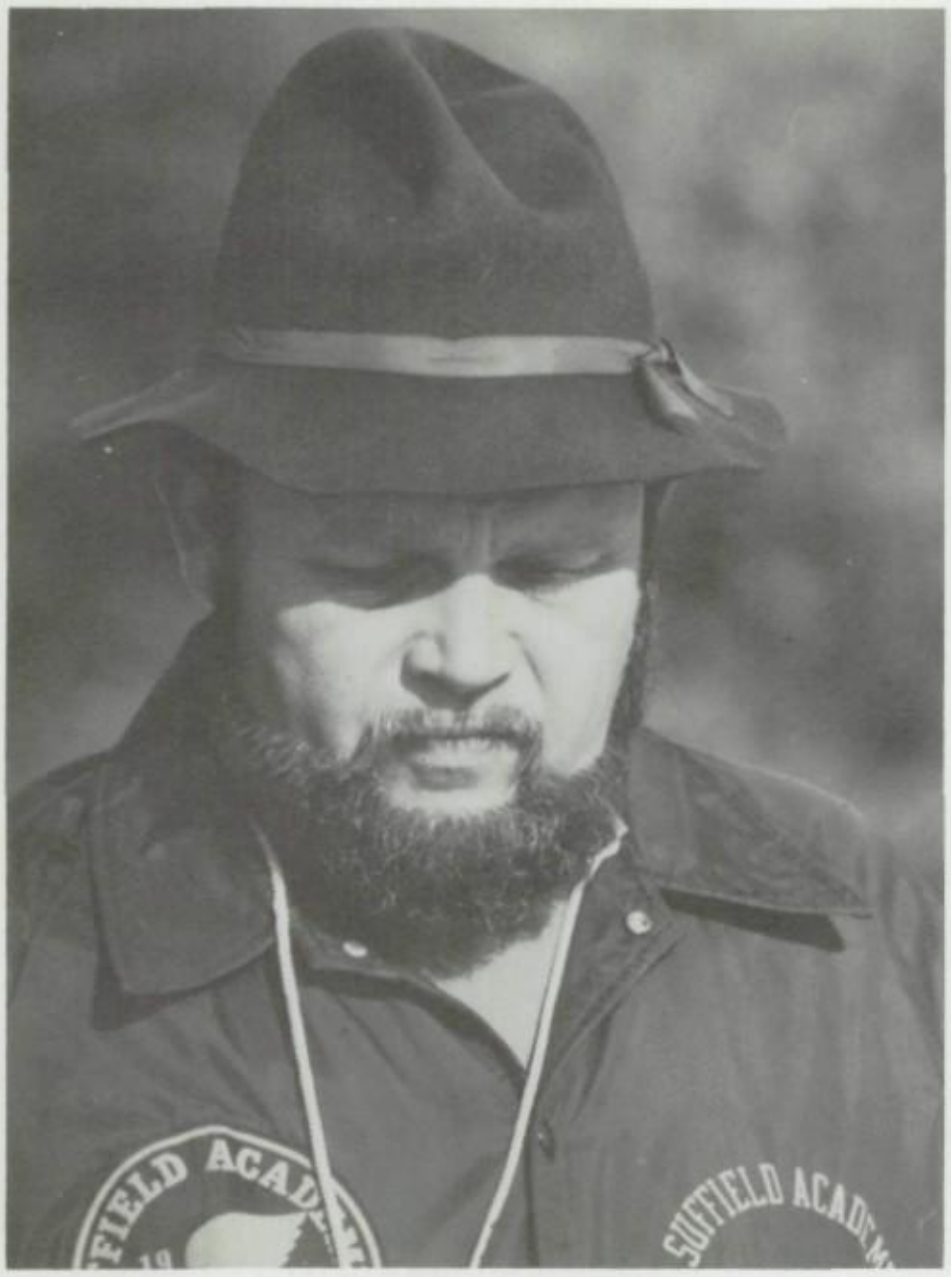
ADVERTISEMENTS 227





"A man lives not only his personal life as an individual, but also, conscioulsy or unconsciously, the life of his epoch or his contempories. He may be vaguely conscious of the deficencies of his epoch or find them prejudicial to his moral well-being. All sorts of personal aims, ends, hopes, prospects, hover before the eyes of the individual and out of these he derives the impulse to ambition and achievement."

— Thomas Mann,
The Magic Mountain

Gordon Glover is more than vaguely conscious of the deficiencies of his epoch; however, these deficiencies do not cause him to despair. Rather, they serve to energize him and increase his "impulse to ambition and achievement." Throughout his years at Suffield Academy he has given a great deal of himself to the students and the faculty. He is admired by some, held in awe by others, and respected by all. His warmth, friendship and willingness to help are rare qualities which few men possess. He has led us through our hard times. We appreciate this unending faith in us as a class and his respect for us as individuals.

We proudly and happily dedicate the

ORIENTATION 77

SUFFIELD ACADEMY

Within its three year tenure, the Orientation Program has certainly become a unique and worthwhile experience. Technically it is a two-day program of mental and physical obstacles that are to be tackled by each member of a group, but also it is an unpressured way of "breaking the ice" among new students, who may feel slightly unsure of themselves in their new situation. By stressing individual participation and team unity, the program brings the teammates together as they work to achieve their goal.

Whether going through an obstacle course in the pouring rain or pitching a tent while blindfolded, all who participate walk away with a greater understanding of one another. Aside from this, a state of community grows between students and teachers that enhances a free and expressive learning experience.

In addition, it sets the mood for the new year at Suffield. It gets you in gear to accept new challenges and meet them head-on with a winning attitude. Although orientation in itself is demanding, it lets new students ease their way into life at Suffield. It's a great way to get to know other new students, teachers, and yourself a little bit better.

Pep Rally

Spirit is rising — finally!

A little help from the tiger — drawn by Karen Napolitano.

"We'll get you yet, teachers!"

Varsity Football 5-2

1st row: B. Green, Stremmel, Salvio, Goodman, Sanzo (capt.), Georges, Renner, Arneill, Coach Corbière. **2nd row:** Goldbach, Bosworth, Walker, Trudeau, Schneider, Mayo, Bitting, Westlake, Polisky, Coach Waskiewicz. **3rd row:** Hawkins, Watson, Senatore, August, McKenzie, Gunn, M. Higgins, F. Drapeau, Boas, Blessis, Scott, Coach DeSalvo, Coach Giguere.

This year's team closed out its 5-2 season with a powerful 28-13 win over Hopkins. As usual, the Tigers scored most of their points in the first half. The team did better than the record indicates. During the entire season, the offense was led by the rushing of Jim Scott. He was Suffield's leading rusher with 832 yards on 82 carries. He also led Suffield in total points with 92. But the other members of the offensive backfield were also valuable contributors: Joe Mayo, 305 yards on 50 carries, 36 points; Dave Senatore, 317 yards on 53 carries, 12 points; and Greg Georges, 340 yards on 43 carries, 20 points. Even though Suffield was strictly a running team, whenever we passed, there was always someone to receive.

The defense was one of the strongest points of the team. It was led by a strong line, hard-hitting linebackers and a quick and versatile secondary.

Overall, the team had a successful season and enjoyed many memorable team efforts. The team would like to thank the great dedication of the coaching staff: head coach Waskiewicz and his assistant coaches; coach Corbière, who was in charge of the linebackers, while coach DeSalvo had the backs, both offensive and defensive. Also the team would like to thank coach Giguere, who said, "You ain't a team until you all work together, and at that moment I'll be proud enough to hold up that sign of victory which says 'TEAM'!"

Boys' Varsity Soccer 7-3-3

1st row: Humphrey, Giordano, K. Stone, LeMay, Aaron (co-capt), J. Cook (co-capt.), W. Stone, H. Adib-Samii, Kalali, Hutchinson. **2nd row:** Coach Gooch, C. McCullagh, Borowick, Brubacher, Davol, Krogh, Meyer, Linsley, J. Coelho, Rice, E. Palomba (mgr.), coach Graden.

It looked dismal in the beginning, and even worse after the first four games, but then we all pulled together. Our season could not have been salvaged if it had not been for the continuous support of the entire team. When John Humphrey was injured, Dave Hutchinson always filled in with outstanding clutch saves.

The season was marked by several exciting games: against Deerfield, and especially against Loomis. A win over Loomis would give us a winning record. It was a tough game, and, after trailing 1-0, the team pulled it out and won 2-1. Our final game against Hopkins was a 3-0 Suffield victory, giving us the best Varsity Soccer record in four years.

The co-captains want to say "Thanks" for putting up with us, but it was all worth it in the end.

Boys' Cross Country 1-9

1st row: Kaplan, R. Stanley, Fogg, Kheirkhah, Viola, Wolfe, Forauer, M. Brown, Berry. **2nd row:** Coach Compton, J. Green, Kieger, Rarus, Benedict, Bergeron, Cahill (capt.), Barnard, McCrea, Wilson, Bryans, Aurichio, Grieb, Coach Glover.

These are few experiences harder to take than a long losing season. But this long losing season had some bright spots. First of all, there was the courageous and good humored leadership of seniors Bill Cahill, Steve Bergeron and Pete Barnard. Secondly, we never quit and we never gave up; we took the best we had into every race and did the best we could. The third bright spot grows directly out of the second. Next year we start the season with eight tough and experienced veterans who are hungry to win. And that's a far cry from the way we started this season, with one really experienced and one slightly experienced runner. Those who ran up those long painful hills of this "building year" will remember each other with respect and admiration, for whatever this team's record, its members: Captain Bill Cahill, Matt Grieb, Andy Rarus, Steve Bergeron, Pete Barnard, Louis Aurichio, Bill Kieger and Brian Kaplan each won their own private races.

Girls' Cross Country 2-5

1st row: Crabtree, Keney, Arnquist, Glass. **2nd row:** Coach Compton, Harrop, Starr, Cummings, P. Pohanka, Coach Glover.

For the first time at Suffield Academy, girls' cross country competed in a full schedule of meets against established prep schools. Under the coaching of Gordon Glover and David Compton and the consistent running of Jennifer Starr, Nina Harrop, Trish Pohanka, Cheryl Glass and co-captains Lisa Keney and Helen Arnquist, victories were posted against Taft and Kingswood. This year's team established its position as a highly competitive team for the future by competing in an invitational race hosted by Suffield in which nine teams competed, and by competing in the Girls' New England Championship held at Choate. Looking ahead to next year, returning runners Starr and Harrop should pace the team. This year the team showed a great deal of sportsmanship towards other teams and an extreme interest in the growing trend of girls' competitive running at Suffield.

Varsity Field Hockey 3-7-1

1st row: Shaffer, Rockwell, Sheehan, Bogle, Fogg. **2nd row:** Gondarowski, Hayden, Coach Fraser, McDaniel, Dee. **3rd row:** Heffernan, Stewart, Longo, Brown, H. Smith.

The field hockey team had a disappointing season this year. Many games were rained out; we could only really play on the fields the first two weeks of school.

Parents' Day was an exciting game, winning over Williston 5-1. Another victory took place with 18 seconds left. Lisa Longo put in the winning goal over Pomfret. Much improvement in Donna Hayden's game . . .

The culmination of the season came against MacDuffie in a very exciting game which ended in a tie due to darkness. For most of the games, the offense and defense couldn't get it together.

A special thanks to Sue Shafroth, our dedicated manager. Best of luck to the underclassmen next year, under the coaching of Gail Fraser, and thank you for a fun season!

Girls' Varsity Soccer 4-8-1

1st row: Mackey, L. McCullagh, Gore (capt.), Gallup (capt.), Samuelson, Workman. **2nd row:** J. Lewis, Napolitano, McCormack, Kennedy, Dustin, Rogers, Salius. **3rd row:** Coach Downes, Magauran, Tucker, Buice, Drummond, K. Adib-Samii.

The girls' varsity soccer team was built largely on character and spirit, which developed greatly from our new coach, T. Stephen Downes "sir." There were no really outstanding individual players, so the entire squad had to work as a team to improve and develop skills in order to have a successful season, although early injuries hurt us physically and morally.

We lost our first game against Ethel Walker due to a lack of experienced players, but Coach Downes pulled the team together and we were able to defeat a strong Hotchkiss team 1-0, and Wilbraham/Monson 5-0. The team was discouraged by a strong, overly aggressive Kingswood team, resulting in a 2-0 loss. We won two of the next six games. In the re-match with Ethel Walker, the team showed much improvement and its ever-present spirit, losing by only one goal. Due to the disappointing loss to Ethel Walker, Suffield could not quite pull itself together to play at its full potential against Agawam and Wilbraham/Monson. Hopefully, a better season is in line for next year, because the team is losing only four starters. Thanks to Coach Downes for his continuous support and understanding. And we cannot forget our great manager, Cindy Workman. "Where is the water, Cindy?"

Thanks and good luck!

Roosevelt Newson, Pianist

Roosevelt Newson is one of those exceptional musicians who has demonstrated a special affinity for sharing his music with audiences of any age and type. He stimulated and moved us; made the music come alive with his vivid descriptions and technical mastery. We learned that any kind of music can be appreciated by anyone and that the beauty is there, if we just care to listen. His two weeks with us were all too short, and he leaves us not only with memories which we shall have for a long time, but also with a deeper appreciation for the pianist's art.

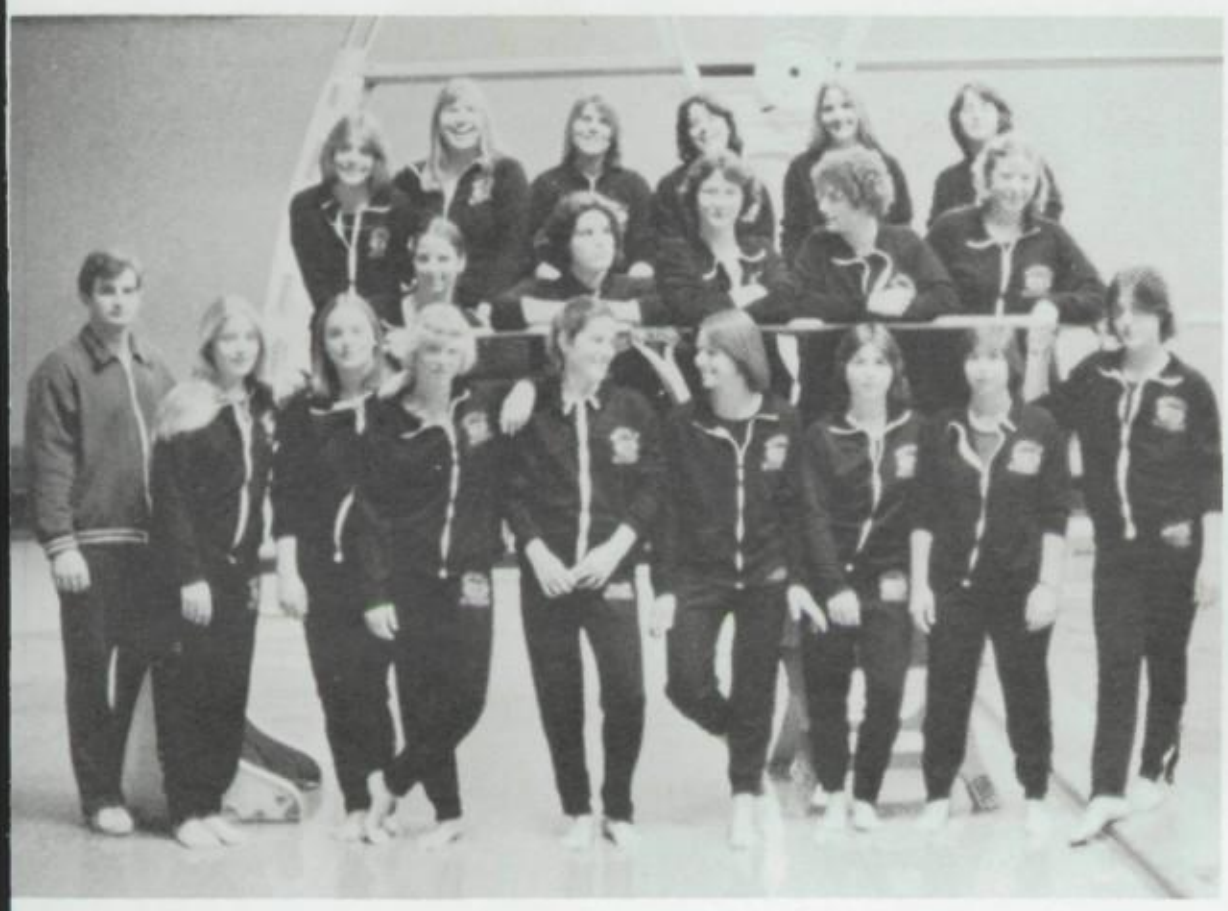
Boys' Varsity Swimming 2-8

This year's Varsity Swimming team suffered many setbacks, yet was able to show courage and pride in the face of inexperience and lack of size and strength. The team as a whole witnessed improvement in skills, and even witnessed some new records which hopefully, and in a very real sense hopefully, will or will not stand for a while.

The season began with victories over Kingswood and Williston Academies, until our team met the experience and talent of Deerfield JV's, Hopkins, Avon, Mt. Hermon, Loomis, Hotchkiss, and Kent Academies for a final two and eight season. Fortunately only three people are graduating, thus Suffield can look to the future as a new team emerges from the many freshmen and sophomores on the team this year.

1st row: Howell, N. Campbell (mgrs.), Coach Hilyard, Wakeman, Kinsel, Mehrdad Adib-Samii, J. Ahrens, Siragusa, Aaron, Dutcher, Spitzler, Seamans, Divine, Wilson (capt.), R. Chrisman, Holmes. **2nd row:** Berry, Margolis, M. McCullagh, Burdge, Kalali, P. Fogg, Bluestone, Robbins, G. Lewis, C. Coates, Bellows, J. Killan, Martin, Shick. **Missing:** P. Landers, O'Neill.

Girls' Varsity Swimming 2-5

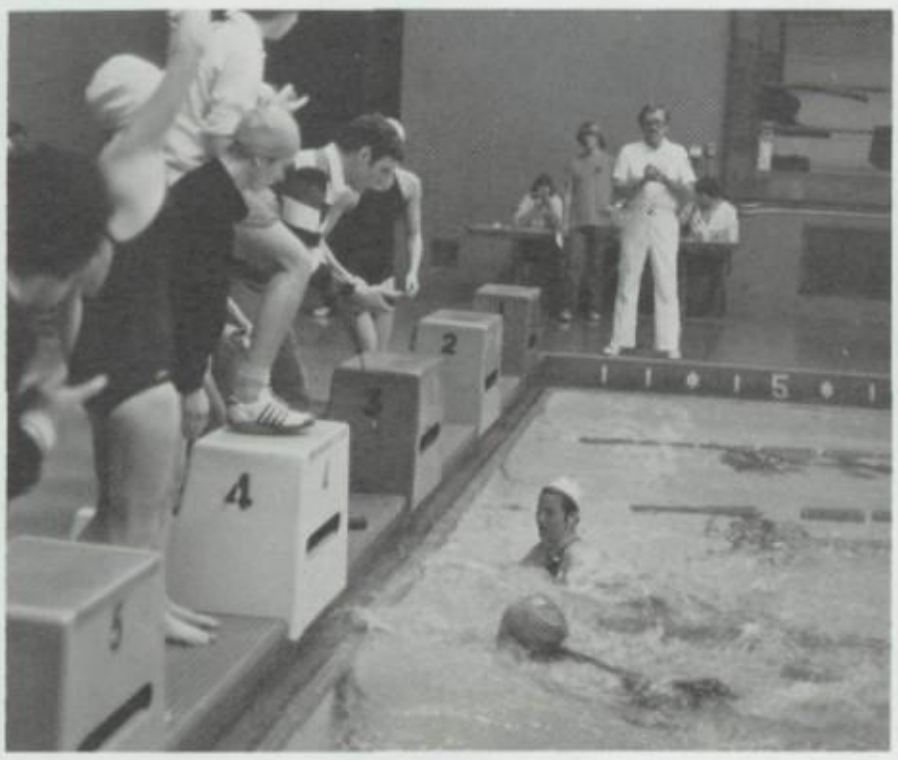


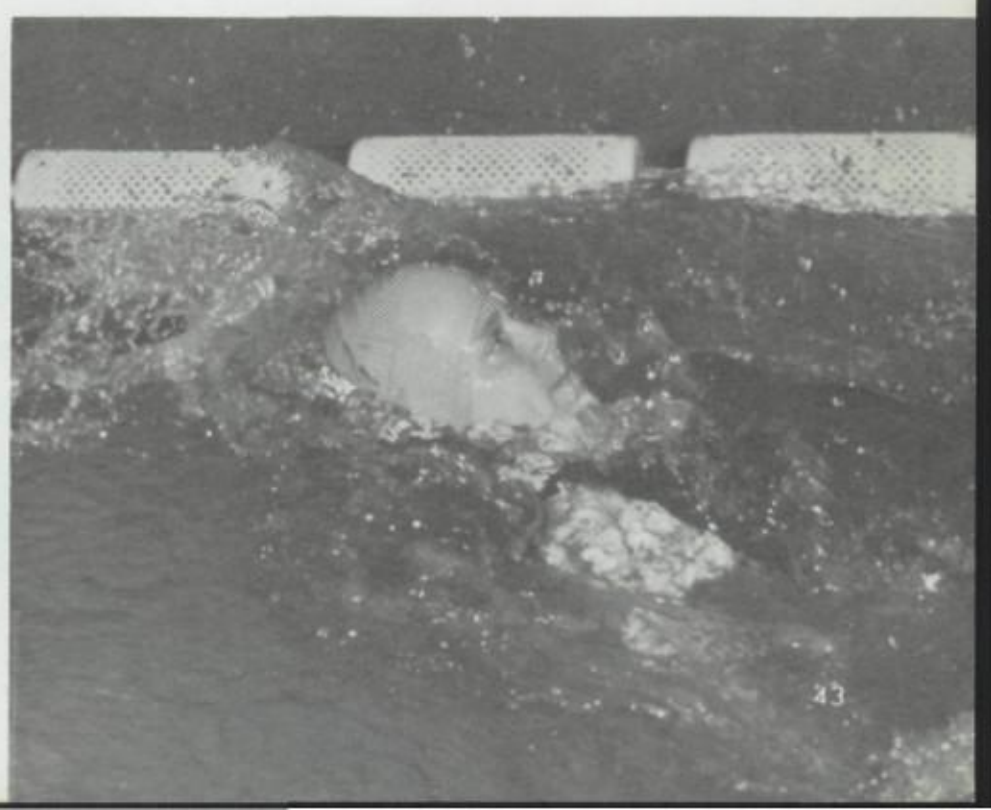
1st row: Coach Corbière, Bishop (co-capt.), Tucker, V. Chrisman, Carroll, Samuelson, McDaniel, J. Lewis, Gorman. **2nd row:** McManus, Claiborne, Kennedy, R. Fogg (co-capt.), Shafroth. **3rd row:** McCullagh, Ciereszko, Quirk, Hassett, T. Landers, Wright.

Although the girls' record at the end of the season shows a loss, (2-5), the team had several individual wins. The team consisted of 18 swimmers and one diver. Some of the girls were out for the first time in competitive racing, while others had several years' experience. Due to several days of illness the girls' swim team fell behind during the last weeks of the season. Many meets were cancelled and until the flu was gone, swimmers were very limited.

Even with a few minor dilemmas, the swim meet had some very rewarding achievements. Freshman Vera Chrisman broke four individual records in the 200 yd. individual medley, 100 yd. freestyle, 500 yd. freestyle, and the 100 yd. backstroke. The girls' 200 medley relay record was broken with Chrisman, Bishop, Fogg and Claiborne. Bishop also set an individual record in the 100 yd. breast stroke. High point winners for the season were Chrisman, Fogg, Shafroth. Others were Bishop, Samuelson, Tucker, and Landers.

This year's team had a great deal of potential and with the extraordinary time, energy, and patience of Adrian Corbière, the girls' swim team pulled it through another tough season.

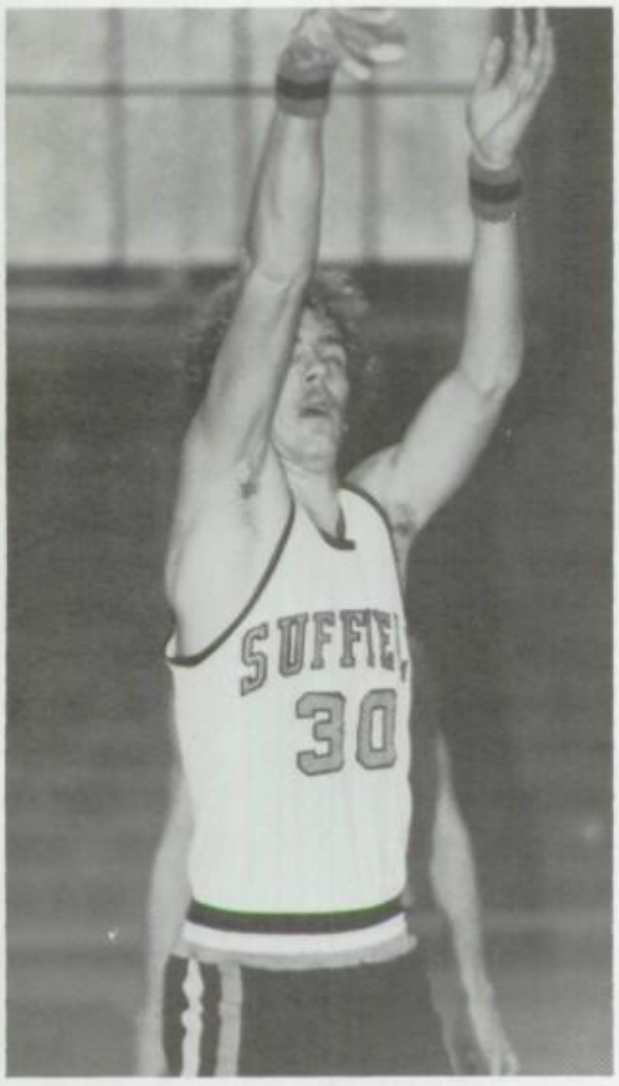


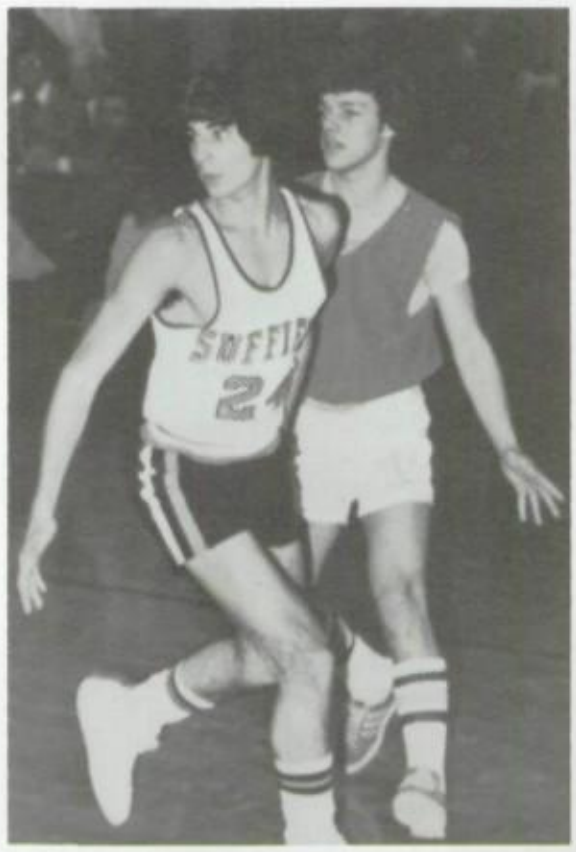


Boys' Varsity Basketball 19-1

The 1977-78 Varsity Basketball team had a very successful season. Before going home for Christmas vacation, the team jumped to a 5-0 record. Three of the victories came in the Kingswood Invitational Tournament, where the Tigers brought home three firsts, a first place trophy; the first KIT crown for Coach Kinne, and the first for Suffield. From there, the team out-hustled, out-played, and out-scored its opponents to a 17-1 record at the end of the regular season. From here, the team entered the Class B New England State Championships, where they defeated Trinity-Pawling 67-52 to cap off Suffield's best basketball season ever.

1st row: Fioroni, Drapeau, Cahill (capt.), Aurichio, Senatore, Watson. **2nd row:** Palomba, Krogh, Meyer, Gunn, M. Higgins, Scott, August. **Missing:** J. O'Brien, Coaches Kinne, Pervear.

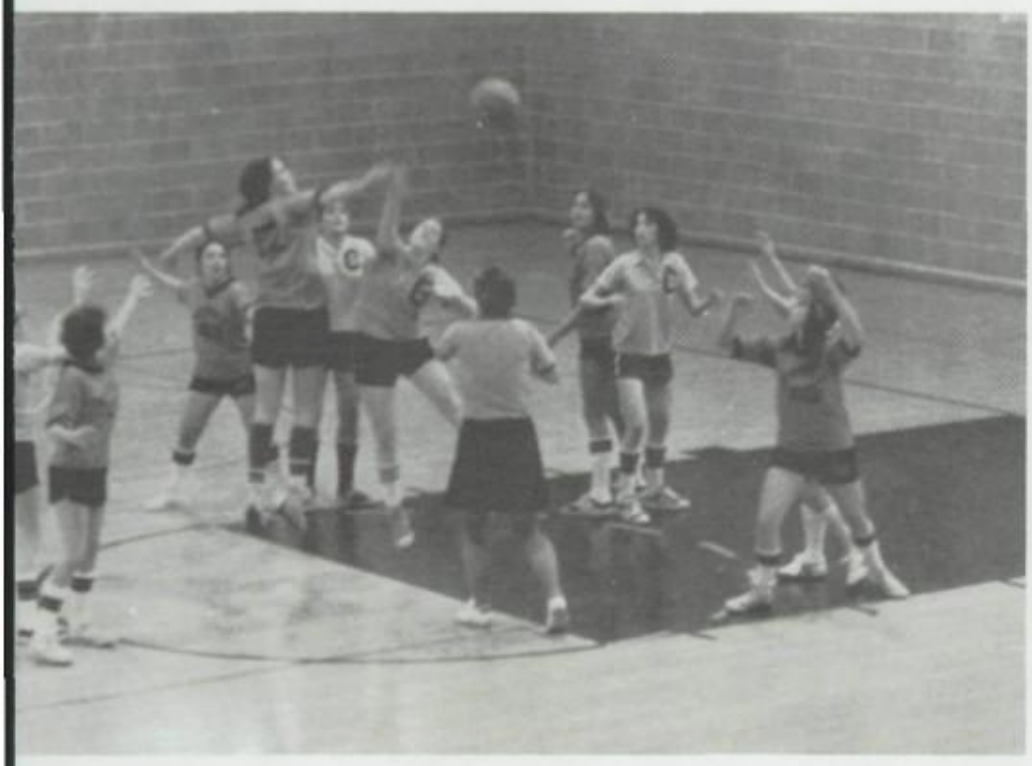




This year's team was spurred by starters Larry Krogh, Clay Gunn, Jimmy Scott, Dave Senatore and Captain Bill Cahill. Mike Higgins proved well as 6th man. Other team members included Todd August, Ed Palomba, Mike Fironi, Bud Drapeau, Kenny Watson, Lou Arichio, and Joe O'Brien. Many thanks to Coaches Kinne and Pervear for the hard work and dedication to the team. Best of luck to next year's team, as well as all teams in the future.

Girls' Varsity Basketball 8-8

1st row: Stewart, Sheehan, Gore (co-capt.), Browne (co-capt.), Drummond, Anne Rainsford. **2nd row:** Coach Waskiewicz, P. Pohanka, Karanian, Dustin, H. Smith, Mackey, Arnquist.



This year's Varsity Basketball team had its definite ups and downs throughout the season. The beginning of the season started out with three quick wins. We defeated Williston, Willbraham/Monson and Ethel Walker by a large margin. Our first full week back at school from Christmas vacation proved to be one of the toughest of the season. We lost five games in a row. We lost to Mount Hermon, Loomis, Kingswood, Pomfret, and Canterbury because of injuries, sickness, and not enough team effort to fill the holes where we were lacking. Finally we got our team together and won five games. Our first win was a massacre against Berkshire. Then we played Hopkins and won a well-deserved game. Suffield was losing at the half and played a tough defensive game, defeating them by one point. We next met Wilbraham/Monson once again and had another easy win. One of our long awaited wins was against Westminster. Suffield had lost to Westminster the past two years and with seven of the twelve players we defeated them 31-26. We also beat Miss Porter's 34-23. Our last three games were tough ones against Kingswood, Hotchkiss and an undefeated Taft team. All three we lost, but not without a good hard effort. Our season ended up with an 8-8 record. The seniors wish all the luck to next year's team, and also thanks to Coach Wasky for everything.

Varsity Hockey 10-4

1st row: P. Stone, Goodman, Stephens, B. Stone (capt.), Humphrey, J. Stanley, K. Stone (asst. capt.), Burke (asst. capt.). **2nd row:** Coach Stone, Gary, Troiano (mgr.), Asher, B. Stanley, Ellsworth, Rarus, Abberly, Silliman, Coombs, R. Coates (mgr.), H. Samii (mgr.), Coach Nelson.

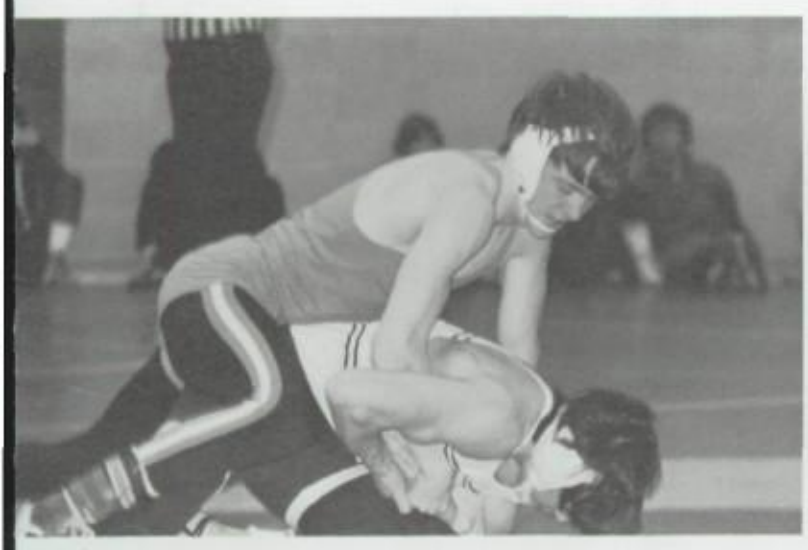
The Varsity Hockey team had a ver successful season. The team whic started building in '74 has become very dedicated and disciplined group This year's offense showed tremen dous skill and scoring ability. It con sisted of Bill Stone, T. R. Goodman Bard Stephens, Tom Burke, And Rarus, and John Asher. The defens was small, but yet they were intimidat ing. Kevin Stone, Peter Coombs, Jim Gary, and Bob Stanley comprised thi unit. Rob Spindler, Fred Abberley, Wi Ellsworth, John Stanley and Rich Sill man filled in on various position quite effectively. The goaltendin assignment is always a tough one t

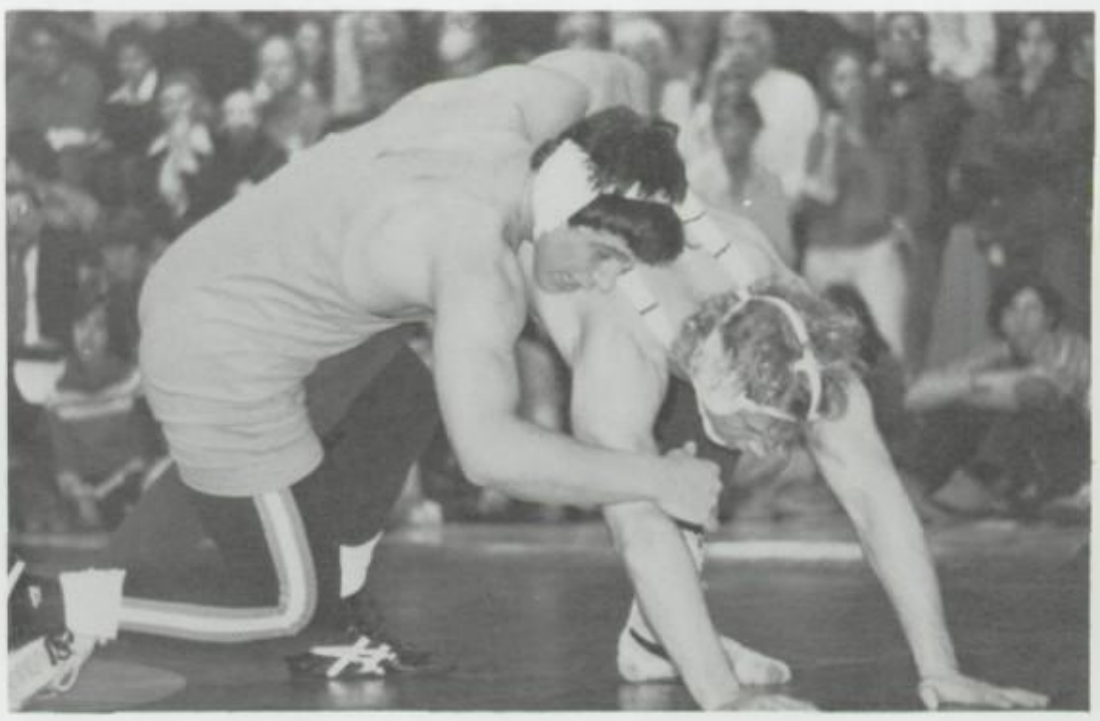
take but John Humphrey made it look easy, playing an excellent season.

The team will be losing Assistant Captain Tom Burke, Captain Bill Stone, John Asher, Rob Silliman, and John Humphrey, but Coach Stone feels the '78-'79 season will be just as productive.

Varsity Wrestling 9-1

t row: Adler, Vandergrift, C. ung, Harasyko, Vesekis, ordano, Bergeron. **2nd row:** Coelho, Brubacher, Geor- s, Mayo, Howe, McKenzie. **ssing:** Williams.





Again this year's Varsity Wrestling team led by Coach Frank Peraino had a very successful season. Despite the early season loss of its Captain and also state finalist Brian Green, the team had it together to defeat all but one opponent. Strong team performances came against Deerfield, Choate, Kingswood, and Taft, as the team showed its adaptability to a variety of surprises.

The Western New England Championships again went down to the wire as Suffield just missed its 3rd consecutive championship, finishing a strong second by just two points. In a fine team effort, four wrestlers avenged earlier losses as Veseskis and Adler took third, Giordano and Young took seconds, and Bergeron, Georges and Mayo closed out undefeated seasons with championships. The following weekend Georges, Bergeron and Mayo added New England Championships, and for the third year in a row, Coach Peraino came home with a National Champ in Joe Mayo, with Bergeron placing a strong fourth in a tough class.

Characteristically this team went out on the mat and went after people. Peraino's teams are known for their aggressiveness, conditioning and season-long improvement. Though falling just short of our goals the team certainly has to rank as superior, another in the school's fine tradition that holds a 111-6-2 record over the last twelve years.

Riflery 4-6

1st row: Wolfe, Forauer, Piccus, Swanson. **2nd row:** Brady, Coach Banks, Pease, Trudeau. **3rd row:** Johnson, Schweitzer, Nath, Murphy.

This season, riflery had its ups and downs. We started with five returning men, Andy Forauer, Bob Piccus, Dan Pease, Tim Johnson, and Phil Hamon who were joined by Matt Grieb, Al Trudeau, Mike Swanson, Marc Schweitzer, Tony Murphy, Jim Viola, Scott Learned, Todd Wolfe, and Stacy Nath. We lost a close match to Loomis by one point which was quite a surprise to Coach Banks. We did not end up with a winning season but next year we will be in good shape.

Nordic Skiing 1-5

Coach Compton, Woods (mgr.), Christian, J. Smith, Hart, Bromson, Welti, Joyce (capt.), K. Coelho, J. Rockwell, Frechette, Olsen, Orr, Coach Pohanka, Bisaillon.

This year's nordic team was short on competitive experience, but long on enthusiasm. The season was frustrating due to our relative lack of success, cancelled meets, and sickness. But this season also saw the emergence of some new talent, which offers promise for the future. Captained by Bill Joyce, the team members participated in three interscholastic meets. losing twice to Hotchkiss and Salisbury and once to Berkshire, but gaining a satisfying dual-meet victory against Kingswood.

Our schedule was rounded out by participation in three citizens' races: the Selleck Hill 10k (294 starters), the Cummington Farms 10k (162 starters) and the 15k Cummington Farms Bread race (375 starters). These races gave us a good deal of experience, if not success.

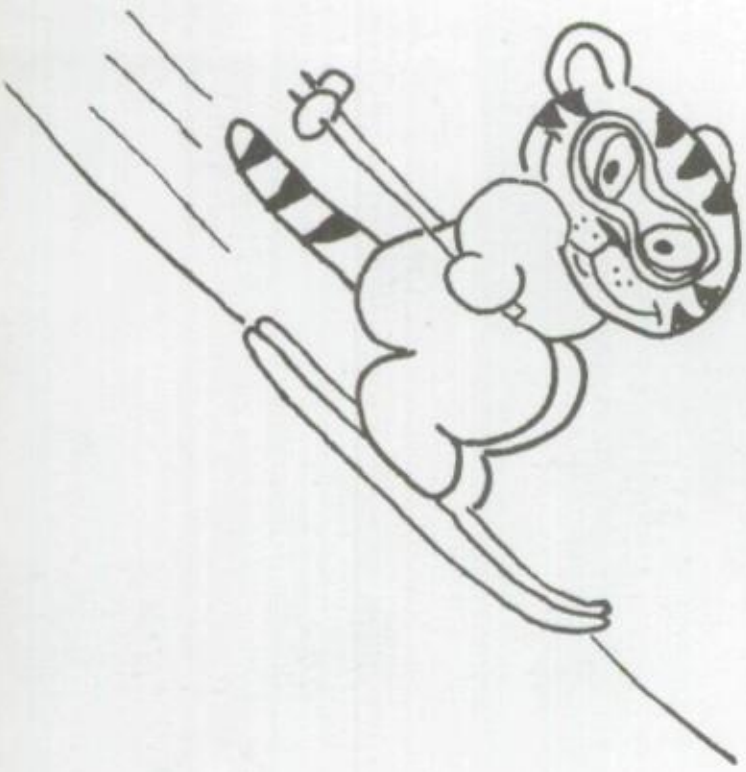
Returning skiers Rod Frechette, John Hart, Chris Bromson and Bill Joyce were helped by newcomers Josh Smith and Ken Coelho, both of whom made substantial individual progress. Dave Harding, Roger Bisaillon, and Sam Orr also helped the team effort in several races.

The season was rewarding in several respects, but next season we look forward to competing in a new ski league, and to the return of several strong skiers.

Alpine Skiing: Boys' 3-10-1; Girls' 0-4

Kieger, de la Fuente, Gleason, Caswell, Renner, Linsley, Bosworth, Coach Rockwell. **Missing:** T. Scudder.

The 1978 Ski Tream was hampered by bad weather and a lack of depth. It was an incredible winter which saw the start of the season delayed several weeks by, of all things, too much snow. The level of Suffield's competitiveness improved as the season progressed. By the time we reached the Berkshire Ski League Championships in March, the team was skiing reasonably well. The fortunes of the team seemed to rise and fall on Tim Scudder's success. We needed a strong, consistent effort and in many areas were unable to produce. A conscientious building program should help in the future. Despite our disappointing showing in competition, the efforts and desire shown by all involved made the year a good one.



Alford, Harrop, Ang. Rainsford, K. Adib-Samii, Bogle, Deturk, L. Scudder. **Missing:** Coach Kiley.

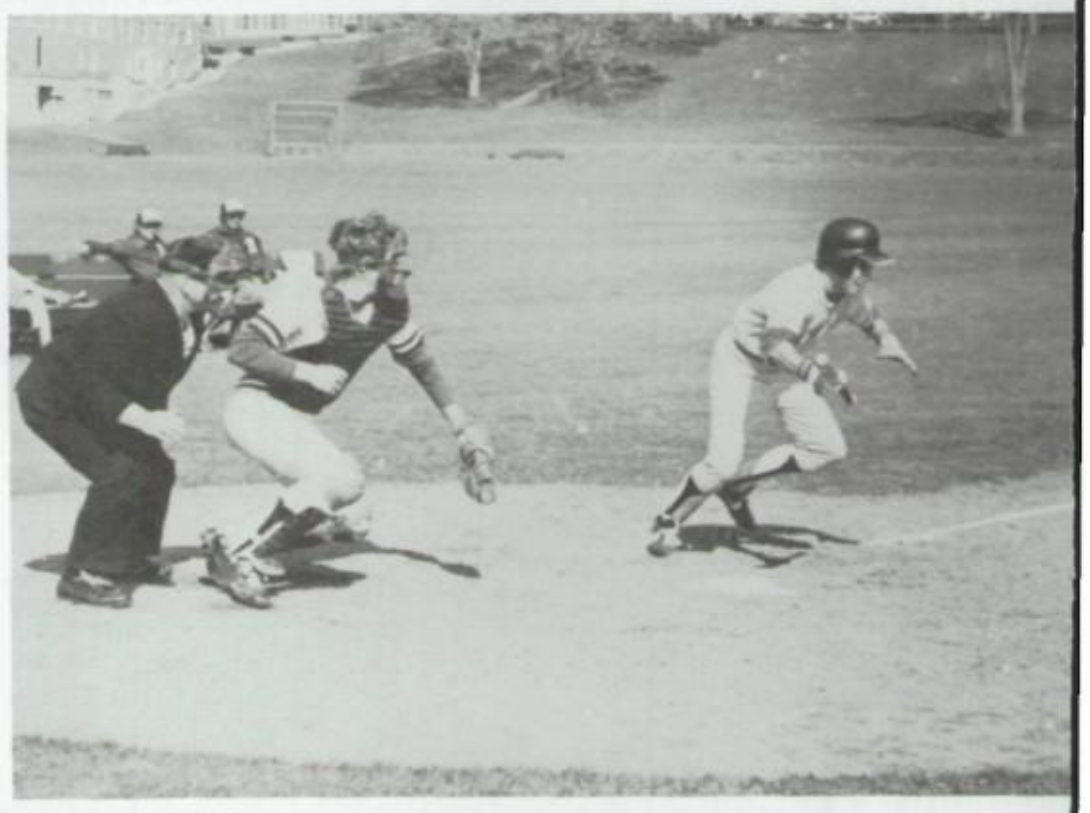
Boys' Varsity Baseball 11-2

1st row: Westlake, Joe O'Brien, Senatore, Cotnoir, Drapeau (capt.) T. Killam, Renner, C. Coates. **2nd row:** Coach Branson, R. Stanley, Krough, Gunn, Figueroa, C. McCullagh, Rarus, Dee (mgr.).



The varsity baseball team had a tremendous season in 1978. The excellent balance of youth and experience, with six seniors and nine underclassmen, resulted in 11 great wins against only 2 losses.

The offense was led by co-MVP Larry Krough with a .365 average, Captain Bud Drapeau with fourteen RBI's, and co-MVP Mark Westlake who led the team in six offensive catgories, including a lusty .512 average and reaching base an incredible forty-two times in thirteen games.

Solid defense kept the team in many a ballgame, catcher Chris Coates, first baseman Clay Gunn (93 putouts), shortstop John Giordano, third baseman Krogh (38 assists), and centerfielder Dave Senatore were particulary outstanding.

The mound staff had a great depth led by Krogh with a 5-1 record, 55 strikeouts in 41 innings, and a sparkling 1.29 earned run average. Westlake (2-0), Drapeau (3-1), and Andy Rarus (1-0) all pitched well.

Contributing to this fine season in so many ways were infielders Tom Killam, and Steve Cotnoir, along with outfielders Reid Renner, Bob Stanley, Fran Figueroa, Chuck McCullagh, and Joe O'Brien. Coach Branson's final season was made easy thanks to the hustle and enthusiasm of this super team.

Girls' Varsity Softball 10-4

This year's girls' varsity softball team ended with a great record, 10-4. Unfortunately, three of the four were lost by one run, but two were won in the same manner. Our offense was one of the strongest Suffield has had, lead by Linda McCullagh, catcher, co-captains Karan Stewart and Helen Smith at shortstop and pitcher, Sue Schrager, left field. Kendra Quirk, right field, Karen Napolitano at third base, Martie Samuelson, second base and pitcher, Shiela McCormack, center field, and Laurie Mackey at first base. Whenever we needed help we could always look to Tracy Landers and Robin Coates and Sue Hassett.

The team wishes to express special thanks to John Hart for being at all our games but one, to our supporting and helpful manager Lisa Walker, and to our coaches Desalvo and Cleary. The nucleus of the team will return with the exception of Karan Stewart, Karen Napolitano and one of our coaches, Barry Cleary. These three will be greatly missed by all.

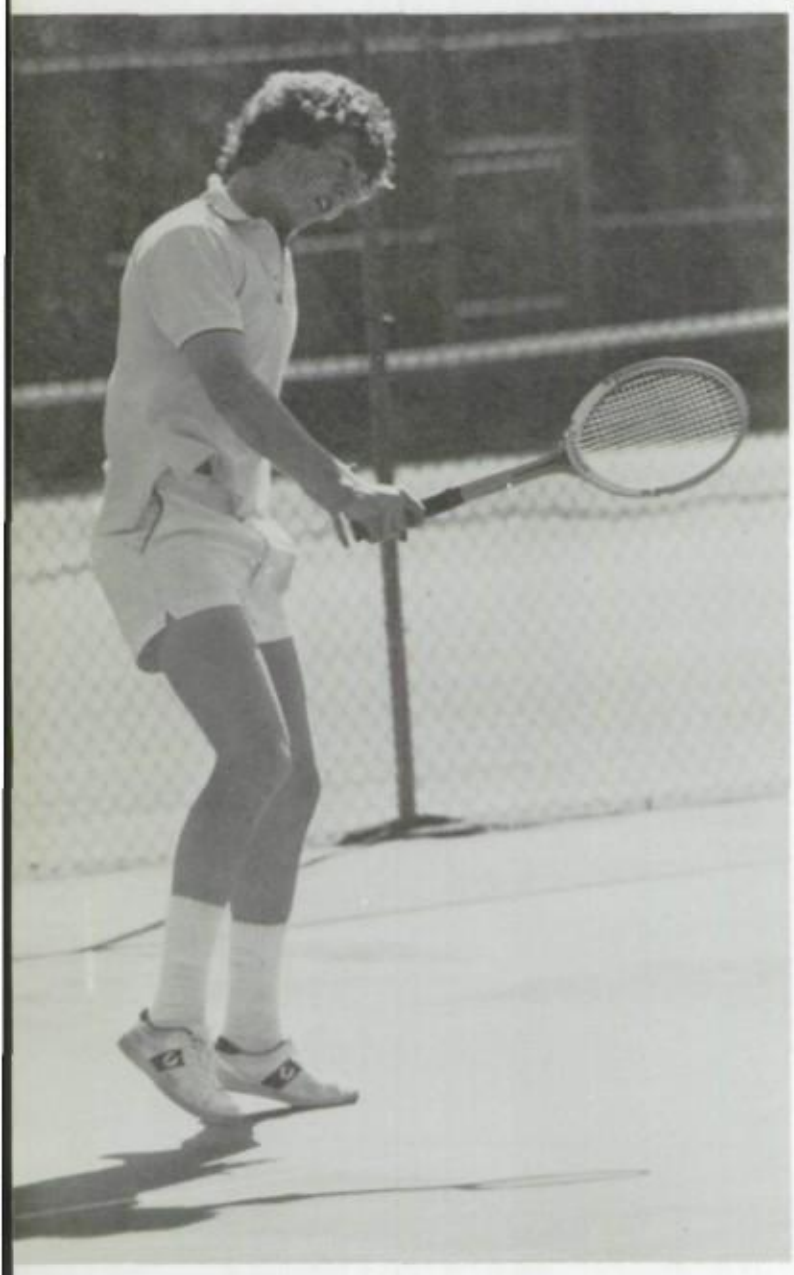
1st row: Co-Capt. Stewart, H. Smith. **2nd row:** Schrager, Samuelson, L. McCullagh, Quirk, Napolitano, Mackey. **3rd row:** Coach Desalvo, R. Coates, Hasset, T. Landers, McCormack, Walker (mgr.).

Boys' Varsity Tennis 5-6

The season's record of five wins and six losses speaks for some good performances by this years boys' tennis team, but it leaves much more unsaid. A mixture of returning lettermen, players from JV's, and new freshmen combined over the course of the spring to play close, exciting matches, and reach some significant personal goals.

An early narrow 5-4 win over Westminister set the tone for the season, made possible by Bard Stephens' come-from-behind wins at both singles and doubles. Hopkins fell by a 6-3 count, in part victim to Todd Wilson's effective serve and net game at third singles. Louis Aurichio was a steady performer at number five, contributing to decisive team victories against Pomfret, Williston and Wilbraham, and surprising everyone by hitting overheads in the court toward the end of the season. Peter Barnard was an effective leader as team captain, while Dave Spitzler's ability to win under pressure brought him victories against players from League Champion Kingswood and powerful Avon Old Farms at number six. Brendan Mulligan filled the seventh position with enthusiasm, humor, and chicken pox. John Brubacher was an aggressive and exciting fourth man, scaring every opponent he played and compiling an impressive 8-3 record in singles.

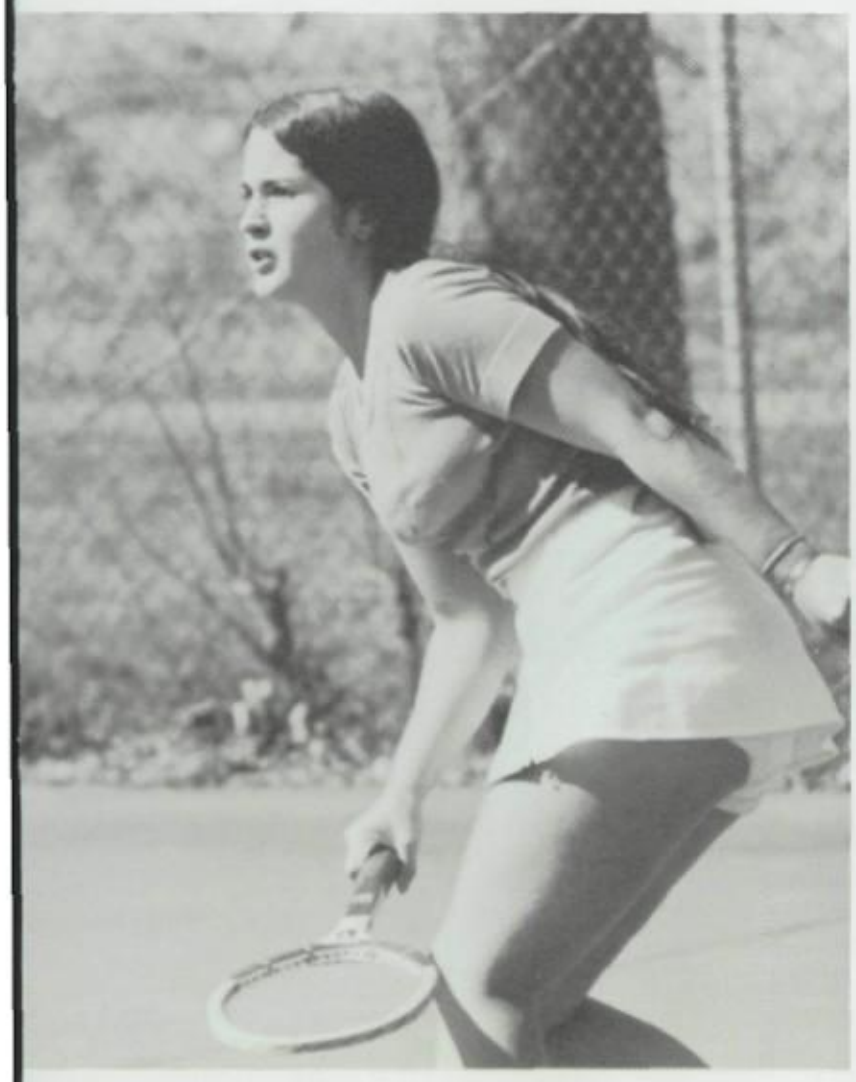
1st row: Spitzler, Stephens, coach Downes. **2nd row:** Barnard (capt.), Brubacher, Wilson, Aurichio.



Girls' Varsity Tennis 2-6

The Team:
Bower
Bogle
Sheehan (capt.)
A. Celentano
R. Fogg
Cummings
Longo
Tucker
Gondarowski
Vardakis
Rogers
Coach Hoffacker

With several returning lettermen, hopes for this season's team looked good. However, it seemed that other teams had as many, if not more, returning lettermen. As a result, Suffield did well — the other teams just did a bit better. No team, however, pushed us around and most matches were decided in three sets. Anne Sheehan worked hard at #1, facing some tought competition, while Amy Celentano at #2 won fifty percent of her matches. Third and fourth positions were filled by Beth Bogle and Julie Bower respectively. Number one doubles was Lisa Longo and Robin Fogg, while Kim Vardakis and Kathy Gondarowski compiled a 5-2 record at #2 doubles. The team was rounded out by Sarah Tucker and Debbie Rogers both of whom showed tremendous improvement.



Boys' Varsity Track 4-6

1st row: Georges, J. Killam, Cahill (co-capt.), August (co-capt.), Walters, Frautschi, Scott, White (mgr.). **2nd row:** Randall Klesczewski, P. Fogg, Brainard, Kheirhah, Salvio, Sheridan, Learned. **3rd row:** Rugbart, Watson, Polisky, O'Sullivan, Kaplan, J. Smith, Chow. **4th row:** Hamon, Viola, MacKinnon, Burdge, Harasyko, G. Young, Murphy, Critz, J. Green. **Missing:** Coaches Glover, Rockwell, Bensinger.

Despite the fact that Suffield was weak in some event areas this year, the team had a successful season. Highlights were Jimmy Scott's new school record of :22.0 in the 220 yard dash and co-captains Todd August and Billy Cahill continuing their winning ways in the 440 and 880 respectively. One of the most exciting parts of the season lay in the number of lower-classmen who performed exceedingly well in a variety of events. Paul Frautschi, Ed O'Sullivan, Brian Kaplan, Ken Watson and Gerry Polisky are just a few of those whose performances indicates a happy future for track at Suffield.

Girls' Varsity Track 3-5

st row: P. Pohanka, Browne, Drummond, Gore, Arnquist, Gallup, Krasner, White (mgr.). **nd row:** M. Drapeau, Ang. Rainsford, Shaffer, Kennedy, Kenney, Stevens. **3rd row:** D. mith, Alford, Harrop, Starr, Karanian, Woods. **Missing:** Coaches Bensinger, Rockwell and lover.

This years girls' Varsity track eam ended its season with three vins and five losses. Our wins vere against Kingswood, and a riangular meet with Williston nd Kingswood. Our team was he largest Suffield has ever had n its four year history of girls' rack. It consisted of twenty girls ed by Captain Candy Gore. This ear's competition was very trong. Suffield has many young members on the team, which gives it a very good out-look for the future. There were new school records set this year. Helen Arnquist broke the 440 yard run by one second, and Dede Browne set a new record in the javelin throw by seven feet.

We entered the New Englands this year with four girls. Cristin Gallup made it to the finals in the 120 yard hurdles, and Dede Browne placed a fourth in the javelin.

Next year's team will be strong in the running events, but short in the weight events. All the seniors wish the members of next year's team the best of luck, and a special thanks go to Gordy, Rocky and J.B.

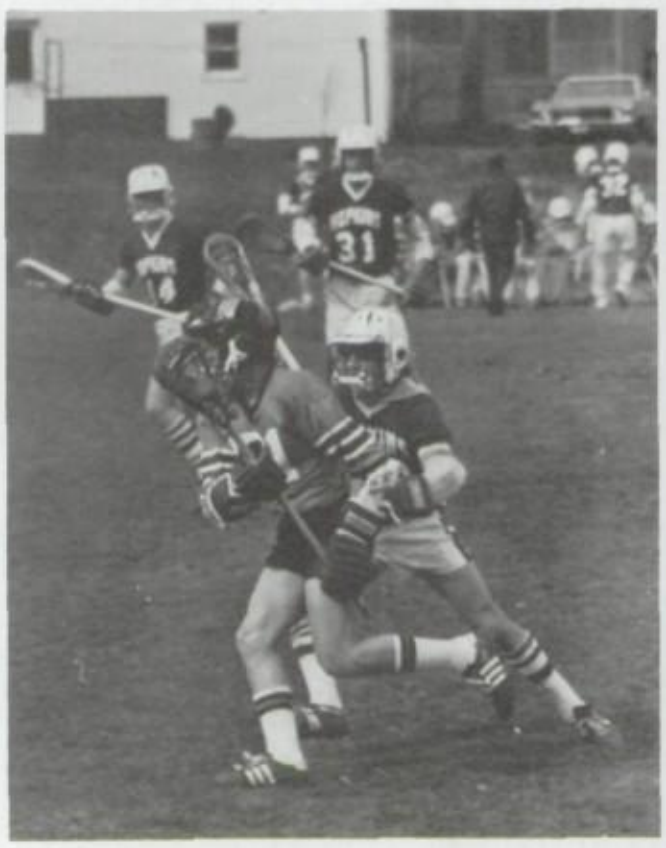
Varsity Lacrosse 3-12

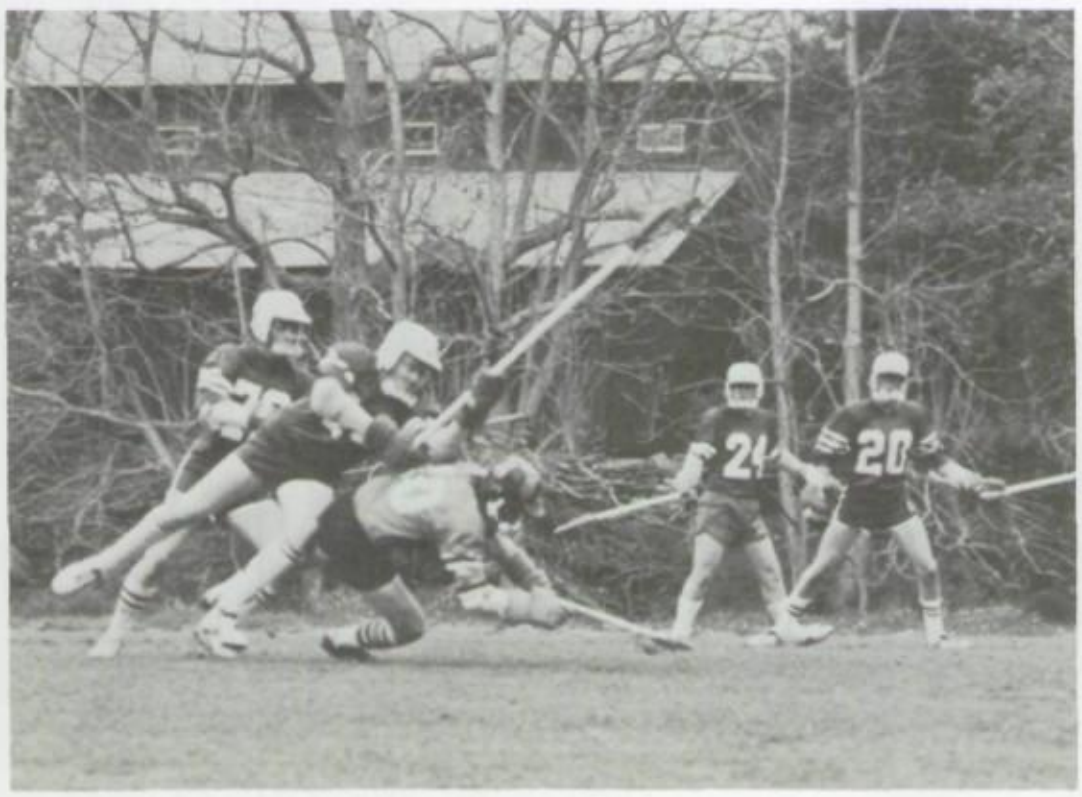
1st row: J. Coelho, Sanzo. **2nd row:** McKenzie, W. Stone, Burke, Asher, Rice, K. Stone, Hawkins. **3rd row:** Baker, B. Green, Hutchinson, Goodman, Davol, Kieger, Lemay. **4th row:** Coach Hamilton, coach Martellini, Humphrey, Abberley, K. Coelho, Cartmell.

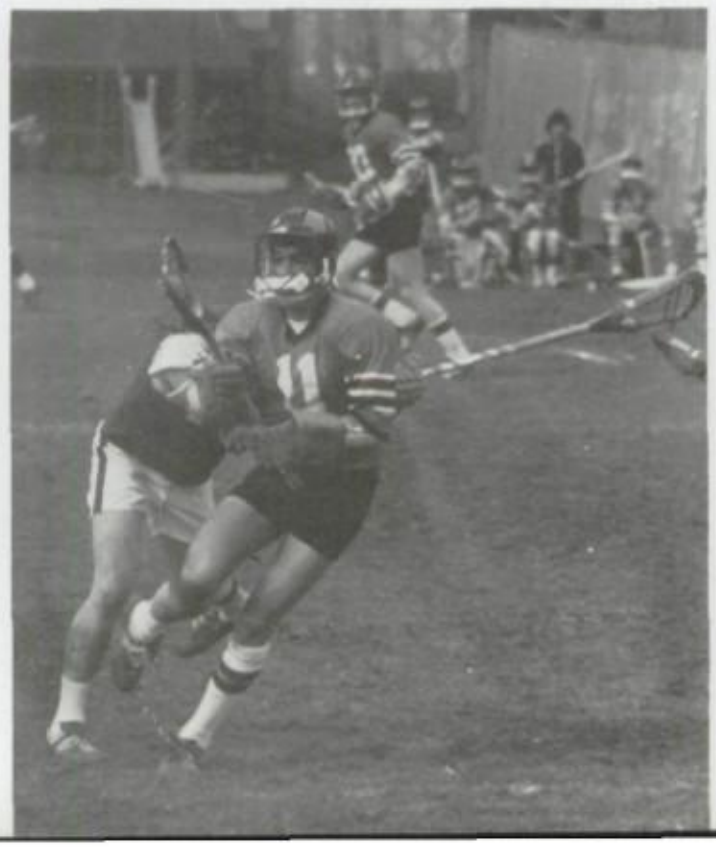
Young team — only five returning lettermen — strong performances from Coelho, Zo, first midfield and first-year goalie Bill Stone whose fine saves kept us in many games. JV'ers and newcomers never give up . . . slow start . . . Really played some excellent LaX against toughest competition in Taft and Avon. Overall lack of depth and inexperience caught up, but next year will be the year. Zo All-League . . . Coelho gets Harvey Potter Award. Many thanks to assistant coach Ted who will carry on next year.

Though the record might not reflect it, the many hours and work put in were well worth it particularly as far as Coach was concerned. Best of luck to you all, you are good people — take care and think LaCrosse!

Winning is fun, sure,
But winning is not the point,
Wanting to win is the point,
Not giving up is the point,
Never being satisfied with what
you've done is the point,
Never letting anyone down is the point,
Never letting up is the point.
Play to win, sure,
But lose like a champion
Because its not winning that counts,
What counts is trying.

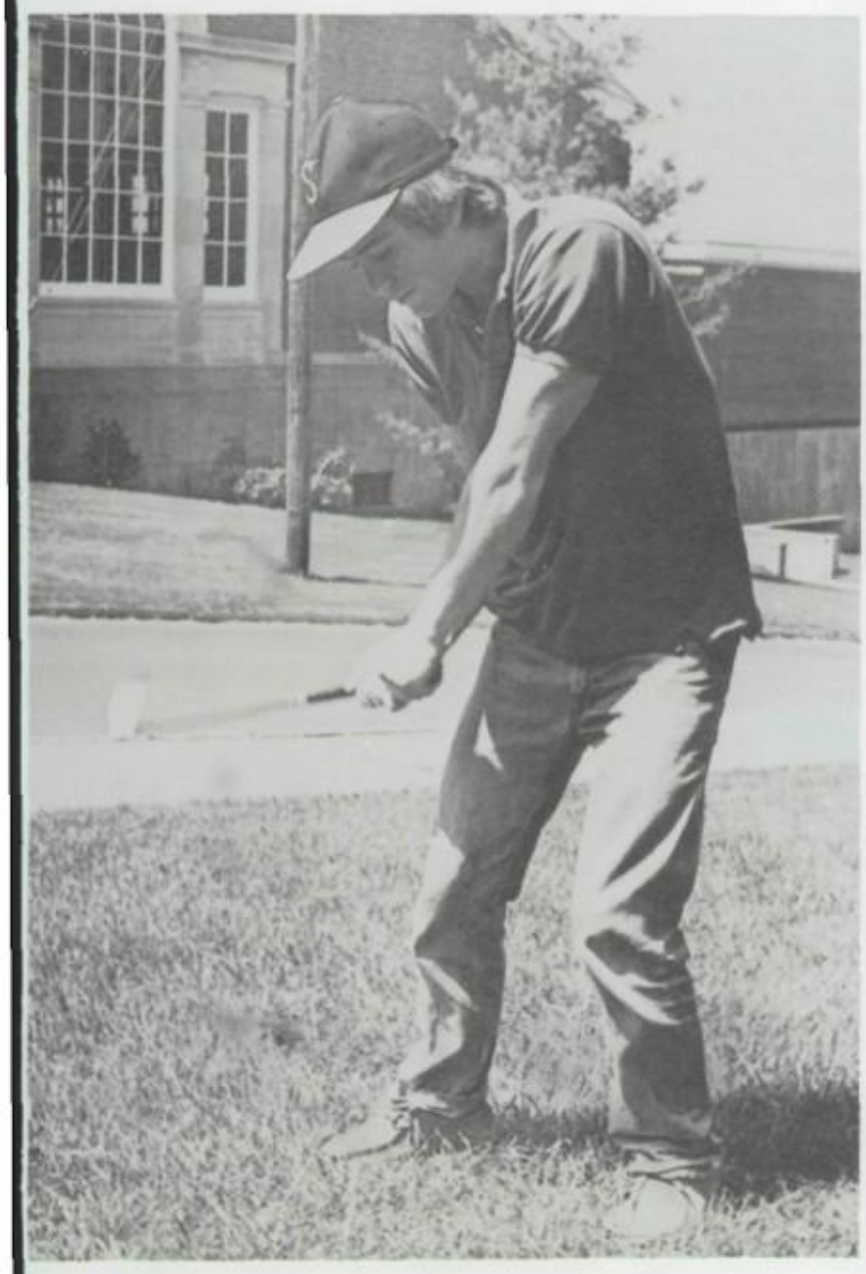






Varsity Golf 6-6

Coach Fuller, J. Palomba, Beaudry, Berry, E. Palomba (capt.), Bitting, Gladchuck, Fioroni.



With only one returning letterman, it looked as though this year's Varsity Golf team would be in for a long season, but thanks to the players from last year's JV's, and to four new golfers, the team started out with a quick 4-2 record with a big win over Kingswood, and a 7-0 shutout over Williston. Suddenly we dropped to an even 4-4 with two big losses to Hotchkiss and a very tough Avon team. We then joined together for outstanding wins over Mount Hermon, 6-1, and Windsor Locks H.S., 4-3. We were then 6-4, heading into the toughest course in Connecticut for a tri-match with Hopkins and Choate, both of which we lost, ending our season 6-6. The season was interrupted by a tournament, the Kingswood Invitational, where we finished a dissappointing seventh out of ten teams, losing out on second by only fifteen strokes.

The team consisted of seven players, number one and two men switching off between Mike Fioroni and Bob Gladchuck. The number two position was filled by Captain Ed Palomba, the only returning letterman. Rounding out the team at fourth, fifth, sixth and seventh men were, respectively, Craig Berry, Joe Palomba, Matt Beaudry and Bill Bitting. The final four were all underclassman. Junior Bitting compiled the best record, with an 8-3 season. We wish the best of luck and many thanks to our fine dedicated coach J. R. Fuller.

JV Baseball 5-6

1st row: C. Kennedy, Ferraro, Regalbuti, Diluzio, M. McCullagh, Lejoie. **2nd row:** Coach Nelson, Holiday, Blessis (capt.), J. Stanley, McBain, Coombs, John O'Brien, Currey, Nelson (mgr.).

JV Softball 0-4

1st row: Morris, Cormier, Glass, L. Palomba, Scudder, Troiano, Nath. **2nd row:** Roche, Oleksak, Rudder, Labun, McDaniel, Nye, R. Chase **3rd row:** Coach Studdard.

Boys' JV Tennis 8-2

1st row: Adler, Divine, Yocum. **2nd row:** Reese, Dutcher, Sacks, coach Coerper, Frankenthal, G. Lewis, Stremmel.

Girls' JV Tennis 0-2

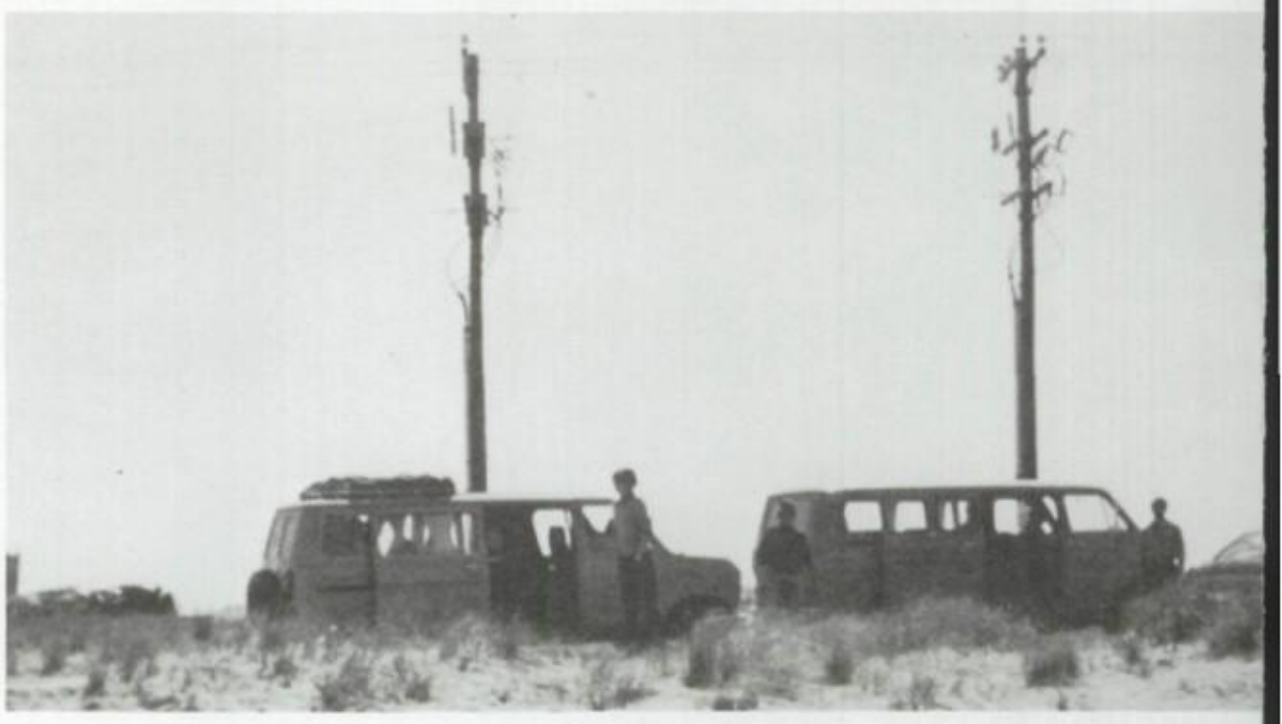
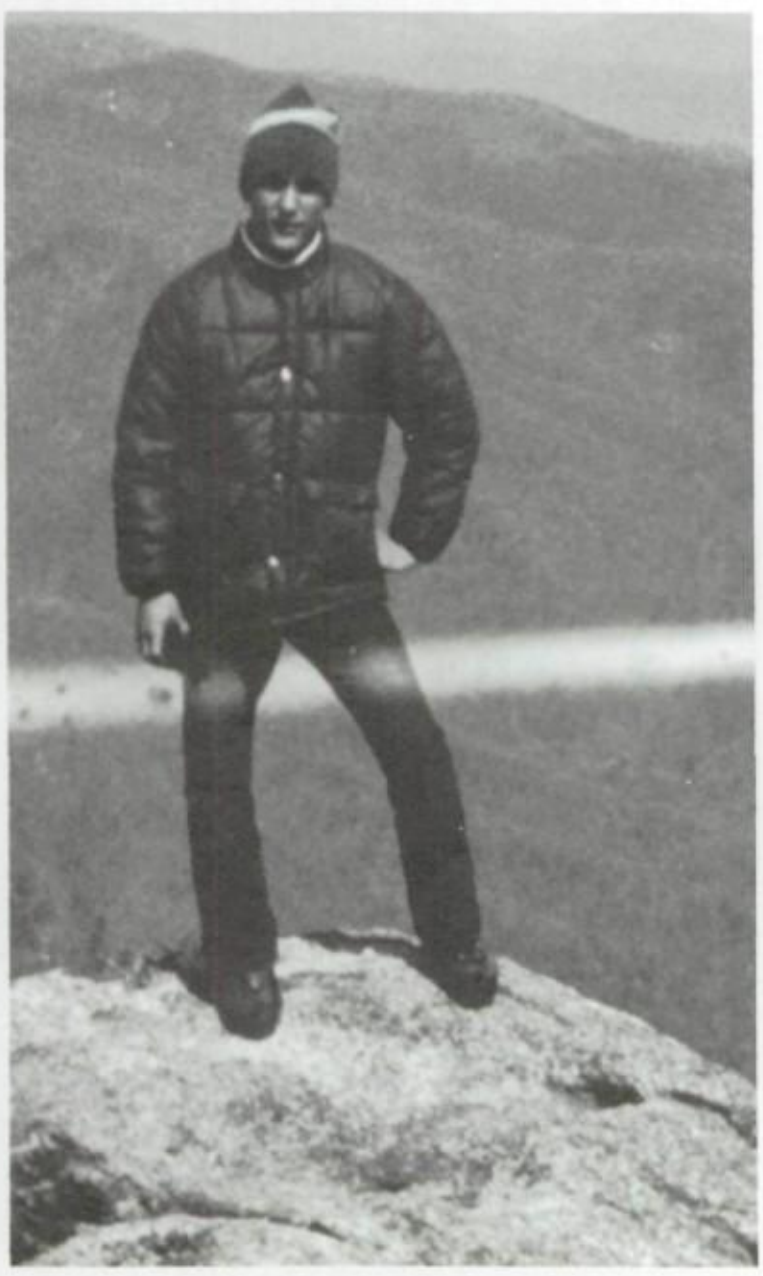
Suffield Outdoor Experience





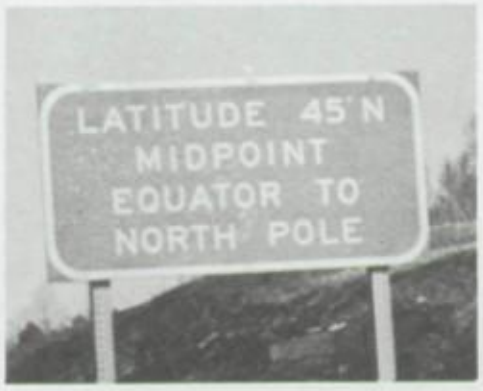
Trips to New Hampshire, the Carolinas, and the Maine coas involved around forty students and faculty this year. A variety o climates and experiences introduced some to outdoors activities and gave others a chance to use their knowledge.

A mid-December weekend trip to the frigid White Mountains o New Hampshire introduced a new experience to the trips pro gram. A day hike through several feet of snow to the summit o Mt. Liberty — 4400 feet — gave a view of a frozen world in brigh winter sunlight.

Spring vacation launched a ten-day Southern excursion. Six teen students, packs, tents, cooking gear, boots, firewood and Mr Fuller and Mr. Downes crammed into two vans to cover 2,000 miles. This thouroughly enjoyable and entertaining trip included a tour by Representative Moffet of the House of Representatives camping and hiking in snow-bound hills and on the ledges of Old Rag in the Shenandoah Mountains, and beach relaxing and stick ball on the Outer Banks of North Carolina.

For the third year, Spring extended weekend in late April found a group embarked from Mr. Rockwell's house in Maine, via John Olsen's lobstering boat, to Burnt Island off the Main Coast. This provided opportunities for rock-climbing, brief swimming, cook ing out along the rocky shore, and some welcome solitude on the 300 acre island.

In their fourth year at Suffield, these trips along the East Coas and Appalachian Mountains have several purposes; a chance to see the diverse environments, to acquire some outdoor skills, and perhaps, most important, to function as an interdependent group in a setting not always available in an academic setting.



Québec

After a ten-hour drive, our tired clan arrived at the hotel Maison du Fort in the old city.

The first full day was spent entirely in the city itself, starting with a tour of the old city. After lunch the group went to La Citadelle, an old, but beautifully preserved fort, for an extensive tour. The day ended with a visit to Place Laurier, one of the largest shopping centers in North America. In the evening, we crossed the St. Lawrence by ferry boat.

The next day was spent outside the city in the beautiful Canadian countryside. After traveling through farms and woods, the group stopped at a converted farm for lunch. The meal was typically French-Canadian, starting with a meat pie and ending with maple sugar pie. Later, we stopped at the Parc du Mont Sainte-Anne, a large skiing area and then the incredible St. Anne cathedral. We then visited Montmorency Falls and in the evening enjoyed a calèche ride.

OFFICE OF THE HEADMASTER

Headmaster's Remarks to the Class of 1978

. . Now, like any overanxious parental figure, I do ot want to send you "out there" without all the help can give you. So, as we part, let me offer a few eces of advice — some borrowed from the sages; me (for better or worse) my own.

would advise you to . . .

Do what you want with your life, but do it the best at you can.

Keep your sense of humor and laugh at life. emember, as someone once said, life isn't so bad hen you consider the alternative.

Be true to yourself. Hold on to what you believe, ut for heaven's sake at least try to understand what hers believe.

Develop a faith to help you define the chaos round you.

Remember your teachers with affection and toler- ion; like yourselves, they will appear more reason- ble with age.

Use college well. It is not supposed to be an end- ss Woodstock Festival, nor an agency for social ction, nor a hospital for group therapy.

Keep faith with your friends — and at times ease think seriously about how you can **best** sup- ort a friend.

Be kind to your neighbors; keep your stereo vol- me down.

Contribute to the Suffield Academy Annual Fund, ven if it's only a little bit.

When you are going out to a party and your parent ays, "have a good time," avoid saying "don't tell e what to do."

Always respect excellence in all its forms . . .

Get to places on time. If you think about it, it's one of the ways you accord respect to other people.

Keep faith with America. With all its imperfections, this is still the greatest nation on earth. Remember that its flaws are those of imperfect men and women, and better men and women can make it better.

Be open to love; care for one another; keep in mind that to be loved, you must be lovable.

Recognize that there can never be any significant growth or maturing without pain or friction.

If you have nothing to say, don't ever let anyone persuade you to say it.

Try to share more; you will find that you multiply your blessings by dividing them.

Learn, if you have not already done so, that the real pleasure and satisfaction in life comes from doing things for others and with others.

Always remember that your education at Suffield has tried to teach you not what to be, but how to be.

I would only add that you have been an outstanding class, and we shall remember you fondly. And as individuals, we are going to miss you. We hope you will come and see us when you can, keep us posted about what you are doing, and let us help you whenever we can.

Good luck to you all; you have our love, our best wishes, and our continuing interest.

If you're there before its over, you're on time. (right?!) (with special apologies to CMH, DJR, + BCH)

To laugh often and love much;
To win the respect of intelligent persons
and the affections of children;
to earn the approbation of honest
critics and endure the betrayal
of false friends;
to appreciate beauty, to find the best
in others;
to give oneself; to leave the world a
bit better, whether by a
healthy child, a garden patch, or a
redeemed social condition;
to have played and laughed with
enthusiasm, and sung
with exultation
to know even one life has breathed
easier because you have
lived
This is to have succeeded.

Well, I sassed him right back and said, "You think you're pretty tough, don't you? Yea, well, I think you're putting me on because to me, Life, you're just easy-going." And he got all mad, but I went on, "When you do start getting rough, I'll still be smiling because I know we had some good times." You know what he did then? Life looked at me and he smiled.

Vladimir: let us not waste our time in idle discourse! Let us do something, while we have the chance! It is not every day that we are needed. Not indeed that we personally are needed. Others would meet the case very well, if not better. To all mankind they were addressed, those cries for help still ringing in our ears! But at this place, at this moment of time, all mankind is us, whether we like it or not. Let us make the most of it before it is too late! Let us represent worthily for once the foul brood to which a cruel fate consigned us! What do you say? It is true that when with folded arms we weigh the pros and cons we are no less a credit to our species. The tiger bounds to the help of his congeners without the least reflexion, or else he slinks away into the depths of the thickets. But that is not the question. What are we doing here, that is the question. And we are blessed in this, that we know the answer. Yes, in this immense confusion one thing alone is clear. We are waiting for Godot to come — or for night to fall. We have kept our appointment and that's an end to that. We are not saints, but we have kept our appointment. How many people can boast as much?

All I know is that the hours are long, under these conditions, and constrained us to beguile them with proceedings which — how shall I say — which may at first seem unreasonable, until they become a habit. You may say it is to prevent our reason from foundering. No doubt. But has it not been straying in the night without end of the abyssal depths? That's why I sometimes wonder. You following my reasoning?

Estragon: We are all born mad. Some remain so.

Pozzo: Help! I'll pay you!

Estragon: How much?

Pozzo: One hundred francs!

Estragon: It's not enough.

Vladimir: I wouldn't go so far as that.

Estragon: You think it's enough?

Vladimir: No, I mean so far as to assert that I was weak in the head when I came into the world. But that is not the question.

Pozzo: Two hundred!

Vladimir: We wait. We are bored. No, don't protest, we are bored to death, there's no denying it. Good. A diversion comes and what do we do? We let it go to waste. Come, let's get to work! In an instant all will vanish and we'll be alone once more, in the midst of nothingness!

If you'd like to win, but think that you can't.
It's almost a cinch you won't.

Think big and your deeds will grow,
Think small and you'll fall behind;
Think that you can and you will —
It's all in the state of mind.

If you think that you are out classed, you are.
You've got to think high to rise.
You've got to be sure of yourself before
you can ever win the prize.

DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit —
Rest if you must, but don't you quit.
Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a person turns about
When they might have won and they stuck it out.
Don't give up though the pace seems slow —
You might succeed with another blow.
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.
Success is failure turned inside out —
So stick to the fight when you're hardest hit, —
It's when things seem worse that you musn't quit.

"Hey Mare"
— M.S.B.

When things go wrong as they sometimes will,
When the road you're trudging seems all uphill
When the rounds are low and the depths are high
And you want to smile but you have to sigh
When care is pressing you down a bit
Rest if you must, but don't you quit.
Life is queer with its twists and turns
As everyone of us sometimes learns.
And many a failure turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow
You may succeed with another blow.
Success is failure turned inside out.
The silver tint of the clouds of doubt
And you can never tell how close you are,
It may be near when it seems so far.
So stick to the fight when you're hardest hit
It's when things seem worst that you mustn't quit.

"Bun; we will soon part. Our paths may never touch again. If so, a part of me will go with you, but the memories you've given me will remain. Thanks."

Winning is fun, sure,
But winning isn't the point
Wanting to win is the point
Not giving up is the point
Never being satisfied with what you have done is the point.
Never letting up is the point.
Never letting anyone down is the point.

Play to win sure.

What counts is trying.
